

Magnum Breaker Olympic Flat Bench

MG-A678

The Magnum Breaker Olympic Flat Bench features unique pivoting uprights for greater comfort, easier takeoffs and increased efficiency. Additionally, it includes a wide back pad to stabilize users during heavy lifts. A total of 10 weight-storage horns make room for 20.4-kg / 45-lb. plates stored at waist height. Molded urethane guards protect Olympic bars from damage, reduce noise and provide a hand rest for spotters. The frame features a proprietary two-coat powder finish for long-lasting durability. Shown with optional spotter platform (MG-AOSP). Designed to meet EN957 and ASTM safety standards.

- Designed to meet EN957 & ASTM safety standards
- 10 weight-storage horns (20.4-kg / 45-lb. plates store at waist height)
- Wide back pad stabilizes users during heavy lifts
