

Magnum Breaker Olympic Incline Bench

MG-A679

The Magnum Breaker Olympic Flat Bench features unique pivoting uprights for greater comfort, easier takeoffs and increased efficiency. Additionally, a ratcheting seat design allows for easy adjustment and comfortable use, and a wide back pad stabilizes users during heavy lifts. A total of 10 weight-storage horns make room for 20.4-kg / 45-lb. plates stored at waist height. Molded urethane guards protect Olympic bars from damage, reduce noise and provide a hand rest for spotters. The frame features a proprietary two-coat powder finish for long-lasting durability. Comes standard with built-in spotter platform (MG-AOSP). Designed to meet EN957 and ASTM safety standards.

- Available without weight-storage horns (MG-A679N)
