

Magnum MEGA Power Rack

MG-MR47

Developed specifically for power training, the efficient design of our Magnum MEGA Power Rack helps users get more out of every set and rep. A height indicator and a colored locking pin make bar-level changes quick and easy, a fully enclosed design optimizes spotting, and J-hooks made of high-density polyethylene (HDPE) protect the bar knurling from scratches. Plus, the seven-gauge steel uprights and heavy-duty frames mean the Magnum MEGA Power Rack can handle your toughest users and the most rigorous workouts. Includes three retractable lower band pegs on each side (six total).

- Fully enclosed style offers ideal spotting abilities
- Visual height indicator and colored locking pin make bar-level changes quick and easy
- J-hooks made of high-density polyethylene (HDPE) to protect bar knurling from scratches
- 1 upper band peg, and 3 retractable lower band pegs, per side
- Includes j-hooks, adjustable safety bars, dual-grip chin bar, bar storage, band storage, weight storage, and upper/lower band pegs
