

Magnum Olympic Incline Bench

MG-A79

The Magnum Olympic Incline Bench is designed to support a wide variety of strength training exercises. A ratcheting seat design provides easy adjustment, pivoting knee rests comfortably accommodate users of all sizes, and a wide back pad stabilizes users during heavy lifts. A total of 10 weight-storage horns make room for 20.4-kg / 45-lb. plates stored at waist height. Molded urethane guards protect Olympic bars from damage, reduce noise and provide a hand rest for spotters. The frame features a proprietary two-coat powder finish for long-lasting durability. Available without weight-storage horns (MG-A79N). Unit comes standard with built-in spotter platform (MG-AOSP).
