

## Magnum Reverse Back Extension

MG-405

Build and tone muscle in the lower back, legs, hamstrings, glutes and calves with the smart design of our Magnum Reverse Back Extension. The leg pad can be locked in forward position for use without resistance, an adjustable starting point makes it easy for each user to find the right range of motion, and dual hand grips enhance both training variety and comfort. Two storage horns provide ample room for plates.

- Leg pad can be locked in forward position to use without resistance
- Adjustable starting point to select desired range of motion
- Dual hand grips provide added variety and comfort
- 2 weight-storage horns
