

Ultra Back Extension

G7-S52-AS2007

Designed for comfort and powerful efficiency, the Ultra Back Extension makes it easy to focus on the back's major muscle groups. Multi-position foot placement accommodates users of all kinds, and thumb-switch controls offer easy adjustments. Additionally, the contoured back pad enhances comfort and provides added support.

Also available in [Ultra Base option G7-S52B](#).

- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Multi-position foot placement accommodates a variety of users
- Thumb-switch controls allow easy adjustments
- Contoured back pad enhances user comfort and provides additional support
