

Ultra Diverging Lat Pulldown

G7-S33-AS2007

For a smarter way to build and tone lats, the Ultra Diverging Lat Pulldown is as powerful as it is comfortable. Independent diverging movements provide a natural path of motion. The angled seat encourages proper user positioning, while the thigh pads and seat easily adjust to provide stability, comfort and optimized ergonomics.

Also available in [Ultra Base option G7-S33B](#).

- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Independent diverging arm movements provide a natural path of motion and increased exercise variety
- Angled seat encourages proper user position
- Thigh pads and seat easily adjust to provide stability, comfort and improved ergonomics
- Action Specific Grips provide greater comfort and improved grip strength
