

## Ultra Hip Adductor

G7-S74-AS2007

The smart, comfortable design of the Ultra Hip Adductor builds strength in the inner thigh with efficient movements. An ergonomically sculpted adjustment handle makes it quick and easy to change the start position, while an adjustable reclining position offers lumbar support ideal for each user's unique body. Foot pegs and contoured knee pads provide excellent stability and support, and an integrated foot platform makes it easy to enter and exit.

Also available in [Ultra Base option G7-S74B](#).

- The optional Intelligent Training Console features Endurance, Build and Strength programs to give members a guided training experience specific to their goals
- Ergonomic adjustment handle enables simple changes in start position
- Foot pegs and contoured knee pads provide user stabilization and support
- Adjustable reclining position offers customized lumbar comfort
- Integrated foot platform allows easy exit and entry
